We request that you set your text in 12-point Calibri, with your contact information at the top of the first page set in single space and the body of the article set in 1.5 line spacing. Insert a hard line return between paragraphs. Please do not insert double spacing at the end of sentences. Set the text in ragged right, not justified.

If you include any quoted material that's more than three typed lines, please set it apart by indenting it on the left by half an inch (0.5") and use single spacing, like this:

    Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Ut enim ad minim veniam, quis nostrud exercitation ullamco laboris nisi ut aliquip ex ea commodo consequat.<sup>1</sup>

Note that ours is not specifically an academic audience. Therefore if you include any quotations or sources, you need to provide a complete citation in an endnote. Please run your manuscript through your spellcheck and/or editing function. Thanks for abiding by these guidelines, as Anselm editors are volunteers and don't have a lot of time to format or fact check. End your piece with a short bio, set in italics.
